Dear Sir.

I send you to day nine Paroquett skins. all that I have. Mr Corey came by since I wrote to you and bought four more. my price is $2 50/100 twodollars and fifty cents a piece. I think that the three young birds are worth fully as much as the old ones. I think that I shall secure some Eggs this season. If you would like to have some of the Eggs let me know and I will write you later
